# ITINERARIES 2021 - 2022

## HOW TO CHOOSE YOUR COURSES?

- Each itinerary consists of different subjects. You must choose the itinerary that suits you best. Click to each course to access to the online syllabus.
- Once you have selected the itinerary, you will have to choose courses you want to be enrolled in:
  - a. Erasmus +: you need to enrol to a minimum of 30 ECTS.
  - b. Non-Erasmus +: you must be enrolled to a minimum of 24 ECTS.
- You will not be able to choose courses from different itineraries.
- Besides your selection, all international students will be registered in *International Experience* (Fall, Spring or Yearly) equivalent to 1 ECTS. This course includes all activities organized by the Student Life office that are compulsory.
- The sending of your request does not imply the automatic allocation of places. This assignment will be confirmed by the staff of the Student Life office through an email.
- Registration will be done in order of receipt of applications. Groups will be closed as soon as these are full.
- Exchange students must remain flexible as courses are never guaranteed due to prerequisites, classrooms capacity, time conflicts and class cancellations. IQS reserves the right to modify courses in the last minute in the interest of academic development.
- The planification of the semesters – courses, format and platform – is subject to changes ordered by competent authorities in this worldwide context of COVID-19 outbreak.
- Every course that has any requirement or exception to the current rules, will be specified in each syllabus.
- For the Spanish course, a test will be done the first day of class in order to assign A1 and B1 levels.
